

Play Cage

Catalog # 33711

The Primate Play Cage is ideal for socialization of infant and young primates.

Pairs with the Socialization Rack and Caging Systems.

Auto watering system, with quick disconnects, drain valve and SS tubing.

High-temp pivoting casters, locking design on front.

There is a full height personnel door on the right, and two sliding animal doors on the left.

An aluminum Ferris Wheel can be added to the cage.

Bead blasted to a matte finish.

The Play Cage can be made in many configurations and sizes.
