

Infant Housing

Catalog # 33151

Complete Stainless Steel construction.

Lexan doors on front and back.

Both doors are hinged with 2 spring-loaded latches.

Each cage easily slides in and out on a stainless steel track.

2" deep removable waste trays for dry bedding.

Pivoting casters, zerks on pivots and axles, non-marking 4" wheels.

Two front wheels have wheel locks.

Our Play Cage also works well for housing infants.
