X-Large: 70-90 lbs - 40"Lx27"Wx30"H

Giant: 90-125 lbs - 48"Lx32"Wx35"H

The Guillotine door (vertical or horizontal) attaches to the Portable Kennel using the existing door holes.

The door frame is constructed of Stainless Steel, the door is constructed of 3/8" clear Lexan. (other door options are available)

The door has a handle, which also is the catch for the Stainless Steel latch, that locks it into place when closed.

The Guillotine door can be made to fit any size of Sky Kennel, Veri Kennel or other portable Kennels.
