

# Play Cage with Ferris Wheel

## Catalog # 36420

The Primate Play Cage is ideal for socialization of infant and young primates.

All Stainless Steel construction.

Wire panels are 1" x 3" spacing, ceiling and floor panels are 1" x 1" spacing.

Latches are used on all doors and waste pans.

Auto watering system, with quick disconnects, drain valve and SS tubing.

4" High-temp pivoting casters, locking design on front.

There is a full height personnel door on the right, two sliding animal doors on the left.

An 30" diameter aluminum Ferris Wheel is mounted in the play cage.

Bead blasted to a matte finish.

The Play Cage can be made in many configurations and sizes.
